High-performance passenger car motor oil

High-performance engine oil, for gasoline and diesel engines, produced with state of the art technology, for the most extreme demands of sport and passenger cars engines.

Properties and features

- Highly effective lubrication properties even under the most severe operating conditions and high temperatures.
- Optimum protection against wear and corrosion.
- Thanks to the high detergent and dispersing capacity, deposits are prevented and thus the cleanliness of the engine is guaranteed.
- The greatly reduced friction resistance ensures more power and lower fuel consumption.

Use

This engine oil is recommended in highly loaded passenger car engines under heavy operating conditions. Suitable for gasoline and diesel engines (without DPF) when an oil with the aforementioned viscosity is required.

Observe manufacturer's specifications and instructions before use.

Performance level

ACEA A3/B3, A3/B4

API SN / CF

Technical data	Unit	Method
Density at 15°C	0,892 g/cm ³	ASTM D 1298
Viscosity at 40 °C	182 mm ² /s	ASTM D 445
Viscosity at 100 °C	19.5 mm ² /s	ASTM D 445
Viscosity index	120	ASTM D 2270
Viscosity at – 15°C (CCS)	< 9'500 cP	ASTM D 5293
TBN	11.4 mgKOH/g	ASTM D 2896
Sulphated ash	1.3 % mass	ASTM D 874
Flash point C.O.C.	230 °C	ASTM D 92
Pour point	-27 °C	ASTM D 97

Health, safety and environment

ADR / SDR : Not dangerous

EU Waste List Code : 13 02 08
